### **Sixth Meeting of the Council, Migrant and Refugee Health Partnership**

7 December 2020

The Council of the Migrant and Refugee Health Partnership held its sixth meeting via videoconference on 7 December 2020.

The Secretariat updated the Council on the establishment of the Department of Health's CALD Advisory Group, which will be meeting for the first time in December 2020.

The Secretariat provided an update on the Partnership's work with the World Health Organization (WHO) to date. The project will develop global competency standards for health workers providing care to refugee and migrant populations.

Members raised the need to ensure ongoing channels of communication with the various colleges and discussed initiatives to highlight the Partnership's work to a broader audience.
